

Skate Humboldt Program Assistant Agreement 2016-2017

Program Assistants are an important part of the delivery of the CanSkate Program at Skate Humboldt.

Program Assistants (PAs) agree to abide by the following guidelines:

1. I will be on time. If I am unable to assist on a session, I will find a replacement and contact Becky Ell (306-231-8162 or beckyell@live.ca) or in her absence one of the other coaches to inform them.
2. I agree to attend all Program Assistants training sessions.
3. I will wear appropriate clothing. The jacket provided by the club, must be worn by all PAs to all The CanSkate lessons. Hair must be tied up and out of the face.
4. I will be on time and available for the warm-up to help the younger skaters and will stay with my group(s) when the coach comes to give me the lesson in order to assist the coach or to assist in other areas as directed by the coach.
5. I will take an active part in the lessons with the children making them my focus throughout the CanSkate lesson time.
6. I will clean up and put away teaching aids after each CanSkate lesson time.
7. I will remember that I am a role model to the younger skaters. How I behave on and off the ice makes a big impression on them.
8. I will, at all times, be respectful of the coaches, other PAs and all members of the Club.
9. I am making this commitment for the entire season. If for some reason I am unable to fulfill this agreement, I will contact Becky Ell immediately.
