

Liability Agreement

In consideration of the acceptance of this application the applicant agrees, and if the skater is under 18 years of age, skater and parent/guardian, jointly and severally covenant and agree to save harmless Skate Humboldt, its Executive and Coaches, and the City of Humboldt, for any claims and injuries sustained during the skating session or loss of property. This applicant agrees to abide by all rules of the Club, Skate Canada Saskatchewan, and Skate Canada. All fees are non-refundable except with a medical certificate.

Privacy Statement

Skate Canada is committed to protecting the privacy of its employees, contractors, consultants, suppliers, volunteers, registrants (herein referred to as "individual") and any other confidential business information. The purpose of this policy is to preserve the privacy of the individual and Skate Canada by outlining the obligations and procedures for dealing with personal, privileged and/or confidential information. Please note that all Skate Humboldt Board Members sign a Privacy Policy

Skate Humboldt is offering

CANPOWERSKATE

Elgar Petersen Arena August

Limited Enrollment
20 per group

Benefits of participating in CanPowerSkate

CanPowerSkate is best for skaters aged approximately six or older who already have basic forward and backward skating skills and are able to stop on command without the use of the boards.

CanPowerSkate will teach skaters to develop and improve both their personal style of skating plus improve the bio-chemical efficiency of their skating. Once the individual is skating efficiently, the focus changes to developing power and speed.

Hockey and ringette players in the CanPowerSkate program must wear full hockey equipment that is CSA approved. There will be a range of recreational, hockey, ringette, and experienced skaters involved in the program.

The CanPowerSkate program is available only to Skate Canada member clubs and sanctioned skating schools. All participants will be registered with Skate Canada.

The CanPowerSkate program stresses balance, power, agility, speed, and endurance skills, all which are especially important for hockey players. CanPowerSkate is an ideal compliment for those athletes playing on hockey or ringette teams. Strong skating skills are provided through participation in this program.

Eligibility Requirements

CanPowerSkate is taught in a group environment: therefore all participants should have basic skating ability and should be able to manage the following skills:

- ⇒ Be able to get up on their own
- ⇒ Be able to skate forward and backwards the length of the ice using alternate strides
- ⇒ Be able to stop without the use of the boards.

Skaters who cannot perform these skills on their own are recommended to join the CanSkate program. Please inquire with Skate Humboldt to find out more about this program.

+++++

NOTE: Program runs before city wide registration so please register early. No REFUNDS except for complete cancellation due to injury or illness. Doctor's certificate must be submitted to receive refund. Skate Canada fees are non refundable and membership is in effect until August 31, 2019.

Maximum 20 skaters per group.

Applications will be accepted on a first come first serve basis. Get your registrations in early to avoid disappointment.
